Pilcher, of Roanoke, a stockholder, asking for an investigation of the affairs of the old Appoination Trust Company, and a letter of similar character from Mr. Pilcher was also addressed to Judge Frontis, of the State Corporation Commission. No reference to these letters, however, was made by Judge Mullen in his charge to the grandjury, but it is understood that the Commonwealth's attorney considered it his duty to lay the matter before the jury for its action.

Killed on the Railrond.

Goodwyn Wright, a colored farmer of Prince George county, was killed on the Scaboard Air Line Railway yesterday afternoon, near Butterworth's, in Dinwiddie county. He was driving across the tracks in his buggy, when he was struck by the engine of the southbound passenger train, which left this city about 2 cclock. The horse was killed, the buggy broken to pieces, and the body of Wright was caught on the pilot of the engine and carried for some distance until the train could be stopped. The accident seems to have been entirely unavoidable on the part of the engineer.
